Thread: [Have orion crypter diverse basic cloud crypter need to bypass kaspersky](#)

rishabh69 - December 27, 2015, 12:13 am

I have diversebasic, orion(owner is a fucking scammer wont reply), and cloud crypter. I want to install my rat bypassing kaspersky. can anyone be kind (without binding his stub) and help me. Ill help you in return in whatever way possible. It is very very important for me.

Nope always getting detected by ESET and Kaspersky.

I need to bypass kaspersky don't care about anyother AVs.

Can anyone help me. I will pay(if my mission is successful) or help you in whatever way possible.
