What are the chances of the account being banned? What is your warranty terms for if this does happen?

Spartan. - December 31, 2015, 12:26 am

(Dec 31, 2015 01:01 AM)[\$(5)\$] Wrote: [\[CITE\]](#) What are the chances of the account being banned? What is your warranty terms for if this does happen? Low chances of ban, account reset at most. As for warranty it is 30 days. I will redo the service if the customer provides proof of a ban or a reset. (:
