gooooood fucking main card.

I've got,
Lawler, miocic, tumenov, brandao and trujillo.

I only know about Lawler, I will be watching this. Just got into MMA thanks to Connor promoting the chad medes fight on Conan otherwise I would've never heard him.

I got condit and Arlovski, war CONDIT

I hope the main event goes for five rounds. I don't want another 1 round main event.

I bet condit is going to go down 4th or 5th if it goes that far. I hope condit goes for the finish in the early rounds

I disagree, I reckon condit will win if it goes that far and robbie will win in first few rounds.

But of course, 5 rounds would be preferable.

I actually got 125 bucks on Arlovski. If Condit plays it smart, he should be fine to me.

4/5 on the main card aint bad, too bad I didn't feel confident enough to bet. I think it should've went to condit though.
