[NEW] Cleaver Adobe Flash Player Update

Stop f*ck reporting this its not against the rules you skids.

This is pretty cool for spreading!!! This will 100% boost your download and execution Rate!!! c:

Screenies

Well here you go guys.

How do I use this?

Copy the code and make a file named index.html and look for 2 lines that say "Download Link Here" and put your direct exe link there!

amaaaaaaaazing.!!!! VOUCH so fucking much for OP!:D

Saney - December 31, 2015, 4:21 pm

Stop Reporting this shit ffs. It is legit

Trenchguns - December 31, 2015, 4:26 pm

It's being reported because I think these kinds of things aren't allowed. No sure though
