Thread: [Need simple banner with text](#)

syrah's bitch - January 1, 2016, 10:28 pm

Just need the words Stoned Forums with "Stoned" in a green colour such as this Stoned Forums in a black.

I need two versions both transparent background wth same text and same colours but hair different dimensions

HD Version- 1571W by 640H Px
Normal Version- 135W by 55H Px

Much thank you much love

K!ngGFX - January 2, 2016, 12:55 am

pretty confused as to what the hell you wanted but here
