Thread: [Create a Key logger to Sniff HTTPS data with metasploit tutorial-By Spirit](#)

spirited_wolf™ - January 2, 2016, 1:53 am

So, Hello guys

My name is Spirit as you all know and this is my second tutorial of 2016... :) so, first Happy new year guys ;)

So, in this tutorial i am gonna show you how you all can Access your victim's windows pc and see what they are doing on their desktops....u can sniff their every ket strokes etc ;) :D

...so, i hope you will like it.. :) and please let me know if i have done any mistake :)
