Lucifer's Inferno - July 24, 2016, 3:54 pm

I just had a lesson with Famous and honestly everything has become pretty clear in terms of cracking accounts. Although, I've never even used SentryMBA before, he was able to guide me in the right direction pretty easily on how to operate it.

He also hooked me up with a bunch of combo lists and configs to get me started as-well as some high quality third party cracking sites.

Thanks Famous bby.

Regards,
Lucifers Inferno.

Hey there

Thanks for this proposition.

I wrote a message here & a pm. I really respect and understand if you prefer to teach only L33t/3pic, but I just want to know ?
