Thread: [Need a specific photo with writing on the body?](#)

**Hotwings** - January 2, 2016, 8:43 pm

Hello there! Before I say anything, if this is not the correct section, please do let me know and I will relocate. I tried searching for the best spot and I believe this is it but I could be wrong.

Now that, that is out of the way. If you are in need of a photo with specific writing on it showing off a certain body part or something, my girlfriend has offered to be your model! For the right price, she said she is willing to take that photo for you with the help of my handwriting. She is petite and white which should fit for a lot e-whore packs if taken in the correct angle.

We have the ability to take phone pics or also DSLR high quality photos. We could take singular photos or a series or whatever you guys want. The only rule is we will not show any direct face or angles that are too identifying of the face. The prices really depend on the case so PM me if interested!

P.S. not posting a photo of her here to respect the rules.

No I will not provide a freebie nudie of my girlfriend, but will have a sample clothed photo available for serious buyers. Don't PM me for free nudes, won't happen.

EDIT: She is 18 and of age.

To those telling me I am exploiting her, I have the following message for you:

This is 100% her idea and all the money is for her. I am not exploiting her. Please don't jump to conclusions. Why would she agree to do this if I am keeping the money? We have been together for a bit.

Wow, quite a relationship you and your GF must have to present that to her for money.

Fucking awesome, good luck man and if anyone does this.

This sounds like a pretty good idea, one that someone might actually look into. Although I don't do e-whoring, I'd consider this If I did. I wish the best of luck to you and your girlfriend.
