Thread: [Legend's Guide To Becoming Undoxable \[Beginner\]](#)

Blue Shadow - January 3, 2016, 4:55 pm

This is my guide to help you to become undoxable online. It's short and simple. Designed for beginners. The intent of the guide is mainly to throw "doxers" off track.

PM me or post here and I will send you the link as soon as possible.

Also, this is in no way associated with the group "Legends".

Thread is now closed, I may give this away again in the future but no more for now.

Edit: No longer go by Legend (for now)

Just read this,

Overview; worth reading, very good tips, people would learn from this, I would take using this method as an everyday use. Not for purchases needing a bank card though, for things such as signups, and making money I would use this info, and for Social Things, keeping anonymous with this, would work excellent, good write up, even hiding you're self online helps, Keep it up, + for you and I think it's worth posting to get!.
