The girl is very good looking. Busty chick, can easily pull buyers by just the preview.

Quality of Pack 8/10

Verification's were valid, there were many.

Also pictures are taken from a mobile device (a phone).

Only thing is out of the 10 pictures he gave the 3 of the pictures were taken with different phones. Shouldn't be too big of a deal.

Quantity of Pack 9/10

This pack has A TON OF PICS, and alot of videos. Well worth it.

The Price 9/10

If the pack he describes is real then the price is way worth it. I wasn't give a full vouch so I can't really tell.

Overall would recommend purchase you can make some bank!

(Jan 5, 2016 01:40 PM)BaseGod Wrote: [\[CITE\]](#) I have received a vouch copy and this is my review.

Appearance of the girls 9/10

From the 11 pics I have seen all the girls have look pretty good, I can't see their faces but I imagine they look good as well. There are many girls with big boobs as well as girls with big asses, and both.

Quantity 9/10

From the looks of it there are many pictures in this pack that will allow you to milk your customers and make alot of \$\$

Quality 8/10

From the 11 pics I have seen, the quality seems amazing and the Verifications are on point.

Overall 9/10

Overall I would give this pack a 9/10, It is a very amazing pack and I would definitely recommend this to any ewhore new gen or old gen.

i have recieved many vouch copies of e-book but non of them sent me a incomplete copy,
what i recieved from OP -> only 11 Pics no videos or anything,
cant judge whole pack by these 11 pics

***** Review ***

Quality 5/10

i recieved 11 pictures,only 5 pics are clear and of good quality,maybe rest are much better.

*** Price *** 8/10

i have seen many peoples selling ewhore packs for \$50 and above
but remember choose quality over quantity.

*** quantity *** 10/10

ewhore pack contains like 226 pictures which is good for business
like 10% customers always comes back for more so you can milk them for more and more.

**** overall ***

i cant judge whole pack by only 11 pics and no videos,
if its the quality pack then dont hesitate in buying it and you know how ewhoring works if you'll
invest your \$25 in this pack, then you can earn alot more than usual.

Good luck with sales OP ?

This pack is free, I found it on internet (facebook, instagram), seek Jessica Ashley on Google.

I saw other users selling this pack before him, so he's leaking this pack... -3 for you dude, you're very LQ and you scam a lot of members you aren't a good ewhorer and you violate copyrights.

NB : I'll add a download link for this pack in few hours.

I'm sorry about people who bought this pack, they were scammed.

If he was a good ewhorer, he wouldn't have the time to sell packs on HF for low prices, think about that before make other deals.
