Thread: [Requesting Temporary Ban](#)

hybrid fuel - January 4, 2016, 11:40 am

Hey mods/Omni,

Recently, I've been taking too much time on HF, and was wondering if you could ban my account for a month or so. If it is against the rules to post this, please let me know.

I think you should PM Omniscient and not post it directly to the forums.

This, can't provoke a self ban until your ep1c/ub3r.

You'll need to donate money to purchase 3p1c to do this, otherwise you'll need to control your urges.

We do not give vacation bans to normal members, please do this if you think you're spending too much time or upgrade to get a vacation ban.
