Hey Jordan,

I mentioned now countless of times that I wouldn't be offering any support until the new year. I deleted all the messages I had in my inbox on Hf and Skype because I had to many.

I'm now working with everyone and replying to all messages sent after Jan. 2nd 2015.

If you'd like a refund message me your Transaction ID and email. If you'd like some mentoring/support please continue to send me a message on Skype so we can get you started.

Making this dispute thread against me is unnecessary as I am in no way trying to scam you.

Let me know what you want to do, and let's get things resolved.

Regards,
MB
