Thread: [Kill Joy's Monthly Giveaways & Upgrades - 1/12](#)

Kill Joy - January 6, 2016, 10:43 am

It's the beginning to a new year, a time where people set new challenges and strive for success. The past two years on HF I challenged myself to learn things I didn't even know we're possible both online and in the real world. I set goals, strived to get there, and now I've succeeded and reaped from my success. It's time to give back to a community I've gained much from.

What am I doing?

Every single month this year (starting February) I will be upgrading three members. One member will be upgraded to 3p1c, another to l33t, and the other to Ub3r. This month will start out with three gift giveaways.

How can you win?

Each month I will be creating a new thread posing a new question or a challenge. Just answer the question or try to complete/solve the challenge. The first month will be different to kick things off.

Additional Information & Rules

*This contest will end at 12:00AM Central Time (-6:00) on January 15, 2016.

*One entry per person.

*Do not PM me begging to be chosen. You will automatically be disqualified.

*Winners will be chosen the day after the contest ends.

*No, I don't have friends so I won't be picking favorites.
