Why is this so hyped? Other than fanservice

First episode had barely any fanservice.

Both girls so far are awesome.

CorrosiveBlueberry - January 9, 2016, 2:03 pm

Yeah, i wasn't so sure as to why it was so hyped (most hyped or wanted show for this season), however after watching episode 1 it was very good, and like Angel said there was like no fan-service. It's mainly about candy and very enjoyable, atleast episode 1. Only issue was the delayed release, however a fan-sub group picked it up (mori-fansub), a day later. But it was still released earlier than funimation released it. And they plan to do the same for the ongoing episodes if funimation is late on their uploads and such.

Shoutout to Mori Subs for always releasing on time.

CorrosiveBlueberry - January 16, 2016, 1:34 pm

Yes; definately good that they do that. i've been resorting to fan-subbs in alot of cases lately. Episode 2 wasn't as good as episode 1 sadly :(

You act like it's abnormal.

It took me awhile to adjust to the characters' eyes but the show is definitely good when it's able to give you a few laughs early in the season.

Ang?I - January 23, 2016, 11:24 am

Hotaru keeps this show going.
