[PURCHASE AUTOBUY HERE!](#)

I am selling your very own Spotify accounts these are not cracked and you can choose username and password for \$1, these are originally for the month but should auto renew if not I am sorry but for \$1 you cant go wrong.

EDIT! IF THE METHOD STILL WORKS AFTER YOUR MONTH AND YOUR ACCOUNT STOPS I WILL REPLACE FOR FREE!

Price - \$1

Payment - BTC or PayPal

Contact:

- Skype: rg.freezy or my HF XMPP

Terms of Service:

- Once I send you the account you agree to not chargeback
- Any chargebacks result in a scam report
- You agree that if I cant find a method to continue your lifetime warranty than it stops
- Lifetime only lasts the life of the shop

What happened to your skype? Still no replies but i saw you online on hf

Arsie - January 21, 2016, 7:57 pm

Might be purchasing 2 of them tonight when I get the free time so expect a PM!

Flaming Hot Cheetos - January 22, 2016, 12:40 pm

Spent \$2 trying to buy one because I thought I did it wrong, tried to get some help and he won't respond.
