I love Madhouse but I've never been a fan of the sports genre. May pick up if the ratings are okay.

I'm not either, however this is more like action than sports.

Damn this look intense. Finally an anime about parkour.

Peanut Butter - January 7, 2016, 8:06 pm

That first ep was good, can't wait for when there's competitions and the races are longer than this. Used to love watching parkour and other shit like that, so I'm hooked already.

Kenpachi- - January 19, 2016, 12:05 am

I watched two episodes and enjoy it already. Will keep up with the series. Also, I couldn't believe the anime made running look so cool lol

I'm not really "hyped" when I watch this, but it's atleast something to waste my time with, which is nice. ^_^

Vip?r - January 24, 2016, 12:17 pm

Fucking love all the new sports anime. Art reminds me of Free heavily.

Aura - April 24, 2016, 5:58 pm
