I like his Beats even though i hate this guy

Black Kodak - January 8, 2016, 1:31 pm

I think he is was funny a while ago
now his shits old
lol

I've heard references to him, some things he's said and more than I probably should know about the guy, but I still have no clue why he's relevant.

He is more of a father figure to me.. See my father was never there.. So when I need motivation to jack-off I always go to my father figure DJ KHALED! Another one, Another one, Another one, Another one, I appreciate you. You loyal, WE DA BEST.

The Host - January 8, 2016, 4:22 pm

His music is good and his snapchat is fucking hilarious. Key to success , another one. They don't want you to succeed

His stuff gets old very quickly. That isn't to say I don't check his snapchat stories on a daily basis. He's an interesting guy. I admire his shoe collection. Ugh
