I'd love that vouch copy I'll test it right now.

EDIT:

Received the vouch copy, looks good! Will try in about 10 minutes I'll let you know.

EDIT:EDIT:

So let me first start off by saying THIS METHOD IS REALLY GOOD! Ya'll know me and I'm not

going to BS you so I'll tell you exactly how it went down.

OP sent me the vouch copy and I was extremely excited to test it out as it's the end of the day, I'm hungry as fuck and subway is right down the road. So the method is VERY SIMPLE and VERY EASY TO READ. If you don't like drawn out methods this is perfect for you. It's straight to the point and very easy to follow. I personally haven't heard of this method before though I am not a frequent subway eater or know of any free subway methods previously. Because of that, I had to ask him only one question which I found in a fraction of a millisecond with a very quick google search; keep in mind this is someone who knows almost nothing about subway, I can barely order a sandwich. His method seems unique, easy to follow, and easy to do. There is only one "warning" that I would have for this method but someone with common sense will immediately pick it up; the warning isn't illegal or bad in any way. This is a legal method and WILL get you a free 6" sandwich. Huge vouch for OP and thank you again for allowing me to review this method.

It will work at the same subway.

MacXimum - January 8, 2016, 7:42 pm

Theres a subway next to my school. Won't they get butthurt if I go there every day and walk out with a 6" sub without handing any money over?

Regan - January 8, 2016, 7:43 pm

Ok, i've sent money for the method will update with my opinion.

UPDATE; The method seems like it would work no problem. I will need to update this in the morning or when I next go to subway. There is no reason this should not work.
