Minimalist's Currency Exchange [BTC/PP/E-INTERAC/AWARDS/ALTCOINS/CONTACT ME]

[Current Stock: 0.00 BTC \(\\$00.00\) CLICK ME!](#)

-
for my own reference later ([Click to View](#)) A little tired of always having to post new threads about exchanging BTC and PP funds, so I'll be updating the following values every time I need to exchange. The rates change depending on how I feel, but do not offer me anything other than what is currently posted.

BTC Balance: 1.30669543 BTC (\$577.85)

BTC Rates: 15%

Post here if you want to deal. Don't PM me.

It is about time I make another post here.

This dude had PROVEN to be reliable in all forms with me.

I don't even normally vouch for CE area much one bit, but this guy give me no doubts, sadly most of our transactions are in PM and for a reason, otherwise Id offer proof.

Take my fucking word, dude is reliable.

10/10 I recommend, and send people his way all the time.

Pentester™ - June 5, 2016, 5:17 pm

Was done within 5 minutes of PM'ing him. Easy guy to deal with!

Huge vouch for Minimalist, even though he has an open deal dispute on me I will be resolving that immediately as soon as I can trade my CSGO skins to him.

Spamming this bitch up more because my man Minimalist came through once again.

Do not hesitate to deal with this dude, hes all business. ?

Edit:

I generally deal in larger quantities, and he has nver had a problem dealing. In fact he even requested a larger transaction at one point. lol.

I haven't been too active for the past couple of days and I will be gone for a couple of weeks because of exams. Looking to sell this stock, and then I'm out.

Danny Khalifa - *June 10, 2016, 10:17 am*

I can highly vouch for Minimalist.
Used him to exchange a lot.

Don't hesitate to deal with him!
