Thread: [Get some Kik names of horny man](#)

-noise - January 9, 2016, 2:15 pm

I see everyone using kikfinder sites and stuff , but just looking up "Kik" on Twitter for example gives plenty of names who are horny right now.

Haven't seen anybody mention Twitter yet , so I hope it helps?

Yo np homie.

The problem with most ewhores are that they are trying to get sales from the wrong traffic. You

have to go to where there are older men with money.

You have to go to where there are older men with money. IMO there's no wrong traffic (except for under 18 ofc.) but I disagree that it's only older men. I sold pics for \$50 to a 18 year old 2 days ago.

However the old men look very desperate

Not saying that 18 year olds don't have money but an older cow can be milked longer and for more. And to be honest, I want them desperate. I'm not trying to be their friend. I'm trying to get them to buy something that they could get for free.
