If you go to that section and read the section rules. It says rep fuck instead of rep kill. Is this on purpose.. or?

a place to remember "rep fuck" in all its glory. :(

Silicon Valley - January 9, 2016, 5:27 pm

Yep. Read the rules and apparently it got changed to rep kill.

We like to call it a "RKO" now.

Rep Knock Out.

Silicon Valley - January 9, 2016, 5:34 pm

My bad. Still doesn't change the fact that it needs to be corrected from "rep fuck".

Devixx - January 9, 2016, 5:39 pm

I feel like you're only posting this for some sort of glory, or maybe you're just a little slow idk. Like seriously I'm pretty sure me you and everyone know this is just something that forgot to be changed?

I don't get why you had to act like you didn't know if this was intentional or not I mean come on man..

Manks - January 9, 2016, 5:43 pm

Who gives a fuck lmao. We all know what it means

I just checked the rules. I saw it was called rep kill. I was confused if it was changed back to rep fuck. or if it still was rep kill. No need to be so salty.

XeX Menu - January 9, 2016, 7:29 pm

I still get a little laugh out of the RKO thing since it reminds me of some WWE shit lol.

kiahnna - January 9, 2016, 8:00 pm

lol, not sure why everyone's catching a attitude when he was just notifying a mistake, damn.

b?xxy - January 9, 2016, 8:00 pm

You should have just sent Omni a PM.

Silicon Valley - January 9, 2016, 8:06 pm

I'm afraid to send omni a PM. His sig says read the help section before pming him. I don't want to waste his time. I don't even know if i should pm him this or if I should post a thread about it.

BoyInWhite - January 9, 2016, 9:34 pm

I'm used to repfuck lmao

Rep Knock Out.

that's unofficial, but I like it better.

repkill just doesn't sound as good as RF, but RKO, better than both, and family friendly ??

Seife?r - January 10, 2016, 2:07 am

Their are quite a few of the rules posts saying rep fuck instead of rep kill, for example

<https://hackforums.net/showthread.php?tid=4203568>

I think omni knows and will change it soon o-o

Ryuko - January 10, 2016, 2:25 am

Quote:A "Rep Kill", previously known as a Rep Fuck, is where an admin permanently removes all of a member's current positive reputation. If you guys haven't noticed he doesn't have to change it as long as the help says this, there will be no confusion for new members.

Silicon Valley - January 10, 2016, 7:06 am

Ok got it. Closing thread then.
