Thread: [Rubik's Cubes](#)

minimalist - January 9, 2016, 6:44 pm

Haven't even touched one of these in a few years and I still have it going for me ?

FamousHater - January 9, 2016, 6:46 pm

may want to post a video of u solving the cube...

Trisomy 21 - January 9, 2016, 6:46 pm

i used to be impressed by kids who did that in school until i looked up online how to do it... those kids scammed me out of my admiration

PirateCr3w - January 9, 2016, 6:46 pm

I can't even tie my shoes properly, how does one expect me to finish a rubiks cube

Renthal - January 9, 2016, 6:46 pm

Seems like these things are coming back

Mr. Robot - January 9, 2016, 6:49 pm

<http://ruwix.com/online-rubiks-cube-solver-program/>

Also they became less fun when Justin Beiber revealed he could do it.

Ricky™ - January 9, 2016, 6:50 pm

Pretty easy you just have to memorize a few algorithms.

minimalist - January 9, 2016, 6:59 pm

My next goal will be to build a card house if you're not impressed by this :(

I wouldn't know this fun and interesting fact about him since I am not a fan.
rubik's cubes are sooo 90s anyway.

Retribute - January 9, 2016, 7:04 pm

Yeah, I have three cubes. I haven't been active on them recently though.

(Jan 9, 2016 07:59 PM)minimalist Wrote: [\[CITE\]](#) My next goal will be to build a card house if you're not impressed by this :(I think my record is 6 pairs of cards at the base and it went all the way up to only 1 pair on top. Helps if you add a couple extra cards on the floor layers. ?

g?th - January 9, 2016, 7:43 pm

I used to speedcube. Haven't done it in a minute, though.

Sahaj - *January 9, 2016, 7:56 pm*

That's great, and then there's me, never been able to solve one.
