Thread: [The Rules Of Hackforums - Audio book](#)

Mr. Robot - January 11, 2016, 5:17 pm

So my boy Trenchguns has offered to help me with voicing the Hackforums rules to help some of you avoid making mistakes.

Give it a listen and give me your feedback.

I will listen to this every night to help me sleep. Thank you.

CECIJ® - January 11, 2016, 5:18 pm

Sounds kinda like a gaylord.

Who Soup - January 11, 2016, 5:19 pm

that's interesting; everyone should loop this

I think that timestamps could help, if you need help with adding that then lmk.

Humour - January 11, 2016, 5:20 pm

Thanks trench guns this gives me hard dick

w?fl - January 11, 2016, 5:20 pm

If people don't read this shit, you think they gonna listen to it?

Still, I'm listening to it cuz he gotta nice voice.

U MIRIN - January 11, 2016, 5:21 pm

Next time please raise mic volume, very quiet.

or your settings are just fucked up on your crappy laptop.

Mr. Robot - January 11, 2016, 5:31 pm

Thanks for your input guys - It gives the new users something to listen to as they get use to the forums.

'Suicide - January 11, 2016, 5:34 pm

I'll listen to this, if i get cancer. You two will be paying 500,000\$ mkay?

Well shit - He's lord of the gays? That's fucking epic.

Asynical - January 11, 2016, 5:40 pm

Thank you for this. WILL RECCOMEND THIS TO NEW USERS FROM NOW ON.

Hawk HF - January 11, 2016, 5:41 pm

I'm just curious. How does Omni's ass taste?

Cheers :) Most of them ignore it when people say - Read the rules!

Hopefully they wont mind giving them a listen, I know it's the lazy mans route but it's worth a try.

Sweaty.

Tastes a little bit like curry shrimp.

You should learn to read.

So do we want more of these or no?

Cheers.
