Pablo - January 13, 2016, 10:28 am

It doesn't work.

so anyone tried it and worked?

Mine..

"Yirlany: as mentioned before it looks like the problem is with the server of your .edu email as not even regular ones are arriving. Please try to get in contact with someone from college that can help you to fix this. From here I will send the information to the student department for them to try to fix this if the issue is coming from our end. They will reach you back via email in the next 1-2 business days "

Bay - January 13, 2016, 10:30 am
