I have nothing against you guys -- really -- I remember how it was too . . .

However, there is forum etiquette here that should be followed.

As of the last 10 days, there have been SO MANY Low Quality threads about the same things over and over again. This has to stop.

Examples(Paraphrased Threads):

Paypal or Amazon?

How Do I Get More Kik Traffic?

Any Mentors/Coaches?

Bragging Posts

I Just Made My 1st \$xx

Can I Sell Or Redeem This Gift Card

Why Am I Limited

What Do I Do Now, He Sent Me Money

What Do You Do When?

How Would You Do XYZ?

What should i do when i get a dck pic?

Suggestion #1: Use the search feature on the forum. Whatever questions you have, it has been asked before.

Suggestion #2: Please DO NOT create a new thread when the existing topic is the very first topic on the first page already. This shows that youre not willing to read, up your post count, or just plain laziness . . .

Other HFers, feel free to add to the list :)

Sorry, had to vent this . . .been so many HQ posts 2 weeks ago and now nothing but the same topics about the same threads that already exist.
