Thread: [\[\\$9.99\] Win every PayPal Chargeback/Dispute](#)

Martjin - January 17, 2016, 6:24 am

TO BUY CLICK THE IMAGE, ONLY BTC ACCEPTED

(Jan 17, 2016 07:48 AM)Imbue Wrote: [\[CITE\]](#) Thanks for the review copy Martjin.

I have received a vouch copy on this ebook. I am in no way affiliated with the author.

Originality: 7/10

This ebook employs some clever understandings of the way PayPal operates and would allow those utilising it's methods to have a very high success rates with charge backs they've received or sent.

Method Effectiveness: 8/10

PayPal has no other choice to ignore the steps in this ebook providing they're executed correctly, however under some very rare cases I can see problems arising and other clever tactics may need to come into play.

Overall: 8/10

I would suggest getting this ebook if you've ever ran into issues with PayPal, the methods enclosed are well written and easy to execute. As the original post says this doesn't include any black hat or rats. Definitely worth \$9.99 if you've got an open dispute!

(Jan 17, 2016 09:16 AM)1MPERATOR Wrote: [\[CITE\]](#) Well I am uber. Would love to check it out.

I have received the vouch copy. Will update later on.

Edit: I am sure the ways shown in the e-book will work.

I can not tell if the two latest ways are allowed here on HF because that seems to be scamming the seller.

Also, there should be a note to not use the exact form shown in the E-book, Paypal will notice.

Overall it's worth the 10\$.

(Jan 18, 2016 01:04 AM)Shabonix Wrote: [\[CITE\]](#) Vouch.

The method helped me with my Paypal dispute for CSGO Key purchase Chargeback.

Thanks OP.

(Jan 18, 2016 12:53 AM)Jewel Wrote: [\[CITE\]](#) I have received a vouch copy.

Overall, the method is not really unknown and I'm not sure you can 100% win the dispute. Just depends on luck. OP should lower the price abit more due to description being brief but if he offers help it will be worth the money.

"I'll give only 3 reviews copy to UB3R ONLY !"

?

Imbue - January 17, 2016, 6:33 am

I'll gladly take a vouch copy and post an honest review, let me know.

Just received a review copy, shall update shortly with my review.

ErudiN - January 17, 2016, 6:49 am

Can you send me vouch copy ?

Tnx :)

will post review then

Wizard - January 17, 2016, 8:04 am

There was a huge thread about this in free services

Can you read?

Not Ub3r, but would love a vouch copy, if you deem me HQ enough. Let me know.

G^aNNicus - January 17, 2016, 8:25 am

I believe you can't provide these kind of services on Hackforums.

Anybody correct me if i'm wrong.

Would love to take a vouch copy and take a look at it.

Martjin - January 17, 2016, 12:42 pm

2nd vouch copy sent !

only 1 left

1MPERATOR - January 17, 2016, 11:29 pm

Updated my earlier post with a vouch and a little bit of extra information.

Jewel - January 17, 2016, 11:53 pm

I have received a vouch copy.

Overall, the method is not really unknown and I'm not sure you can 100% win the dispute. Just depends on luck. OP should lower the price abit more due to description being brief but if he offers help it will be worth the money.

Rich Homie Quan - January 18, 2016, 12:04 am

Vouch.

The method helped me with my Paypal dispute for CSGO Key purchase Chargeback.

Thanks OP.
