TheLordCrazy - January 17, 2016, 1:42 pm

forum.bodybuilding.com is my personal favourite.

Caliban - January 17, 2016, 1:42 pm

bb.com might be ok but avoid the misc exsept you have lots of free time. Also it depends on the country you live in. For most countries there are forums in that specific language.

TrenTrain - January 18, 2016, 9:59 am

bodybuilding.com or the bodybuilding subreddit

Cap - January 18, 2016, 1:30 pm

I'm still working on getting mine off of the ground.
