No problem, if you ever do get banned though, PM me and I can get you unbanned really quick.

Oh your account can get banned, all a person needs is the following information and they can get the money negated from your account/bank and your account banned.

Code senders email
email where you received gift card
senders full name (or say that u dont have one, only his nickname)
claim code
serial number

Why did you buy 900\$ shoes?

And I got closed on amazon for refunding, do you really know how to get unbanned?

The shoes are nice, I've bought plenty more shoes that are more expensive than that pair.

momikemo - January 17, 2016, 6:49 pm

I've earned probably well over like 9k on amazon and I have never had any issues.

Also I've bought Gucci shoes from there, an s6, and many other goodies.
