Thread: [Does the free RS membership method still work?](#)

Dope Man - January 17, 2016, 7:44 pm

I used to go to a phone store and buy membership through the phone lmao does it still work I want to get back to RS since I built my gaming PC

idk if it still works but there is this glitch, its really hard to do sometimes, where you take 10 dollars out of your wallet and buy a card at your local gamstop. lmk if it works.

That glitch sucks.

You just turn on your auto typer saying doubling money in within a day, you get 14 days membership.

10/10 did this method and worked

but when I got my membership, I couldnt type messages to people anymore for some reason :(

Best method for free RS Membership.

- 1) Call jagex,
- 2) Pretend you're 12 years old (Get a squeaky voice)
- 3) Tell them ur parents died, and the only thing keeping you alive "IS PKING FUCKIN ZONAH42069 FOR KILLING ME.. ND TAKIN MY FUCKIN GHYTHHIX GEEARRR"
- 4) ???
- 5) Ask for free membership as you are poor
- 6) Get membership

DONE.

I have never heard of this method so I don't think it works anymore, but then again I can be wrong.
