Thread: [Idea or METHOD to make \\$5k-\\$10k this week.](#)

SochoJeetKi - January 18, 2016, 12:32 am

Hey guys i got a idea or you can say a method to make \$5k-\$10k in coming week.

It is that i have a big list of active 150-200 buyers. I'll surely gonna milk them, Anyone is having too and if he wants a exchange then just skype me

Skype- aakar.sharma887

THIS METHOD IS USEFUL IN :-

- KICKING OUT TIME WASTERS INSTANTLY
- TALKING ONLY TO PRODUCTIVE CUSTOMERS
- CLOSING A HUGE NO. OF DEALS EVERY DAY
- EVERY HOUR YOU MAKE MONEY
- HARD WORK PAYS OFF IN FUTURE BUT SMART WORK WILL PAY YOU OFF INSTANT

Lol do people really fall for people tricking them into exchanging buyers.

Lets use an ounce of critical thought...If he had 200 real buyers he would add them on a separate account and make more off them instead of risking trading for buyers he knows nothing abut.

Lets make a thread about earnings and state proof of our earnings . Let's see who's right??

I don't understand these dumb people that do exchanges... If you have buyers, and you want to get more from them... just create a new account and use a different pic pack. EASY
