Thread: [Tell me to chat with a guy long but not so long and copy paste which one](#)

Shimoli1964 - January 18, 2016, 11:13 am

I tried chatting with the guys like many suggest here to do than "I am selling blah blah" but it takes a lot of time and no one buy. I used one sample another user of ewhore section given, if I compared to my copy and paste I was making sales than chatting with the guys

If you have lots of traffic just get straight to the point.

Okay, well can you explain your problem a bit better? I can't understand what you are saying.

He meant that it was not worth it to chat with each one of them since it's a waste of time and you are not sure if they are gonna pay at the end.

LQ/Loads of traffic = Just get right to the point do not waste time talking random non-sense.

HQ/Less traffic = Spend the time, It totally pays off. I have made a collective of 275\$ off one guy in the past 48 hours.
