One nice thing about echo and its members.

They all have a purpose in life and are beautiful people inside. :)<3

Salty Hacking - January 18, 2016, 7:19 pm

You Want me to basically Compliment your Group and If I do so you will give me stuff... Hmm

I'd like to take participation in this Draw ..

Nice thing ... Some Advice: you shouldn't have to give people things to say good stuff about your group (Not saying this is the only way people say nice stuff about it) but since I've heard and seen stuff around about echo and its fairly somewhat known so It seems like you got Your Group in priority. So Goodluck to the Group and to the People who have entered this ! ?

Ayahuasca - January 18, 2016, 7:20 pm

Echo members always tend to make my dick ultra hard. ULTRA. Their comedic posts in the lounge section is what I live for, I wake up every morning to check the beautiful section "The Lounge" and I always see at least one echo member making the best what is considered to be "LQ" posts, but to me they are the highest of quality. When I see those posts I just can't help but go to pornhub and watch minecraft porn. Even when I lost my kid, I had help from the echo members to find him. They even helped me find my long lost grandfather.

I owe my hard dick and lounge career to you, the members of Echo.

Spoiler ([Click to View](#)) Even though I have not been accepted into Echo, I actually really do respect them. They make the forums a more lively and comedic place, which is always a good thing.

Black??????????????? - January 18, 2016, 7:21 pm

I like your userbar ?
