Thread: [Fucking live pics](#)

psychyo - January 21, 2016, 11:23 am

How can i prevent people from asking for live pics ??

its fucked up and I don't know how to get over this thing .. is there a solution ???

Clean Gurn - January 21, 2016, 11:24 am

Use an app called Fakecamera if using Kik, but you'll need an earlier version of Kik.

psychyo - January 21, 2016, 11:26 am

thank you so much, i will try to find it .. android right ? cuz I'm using blue stacks

Hmed - January 21, 2016, 11:52 am

That's what Fakecamera is for bro !

-noise - January 21, 2016, 11:58 am

I've heard alot about Pikik aswell , a modded Kik with fake camera included.

psychyo - January 21, 2016, 12:29 pm

thank you guys, you've been helpfull

Oddissee - January 21, 2016, 12:58 pm

Pikik, ghost kik, or fake camera all work (fake camera requires a downgraded version of kik) gl buddy

Get Pikek, it's the new Pikik. <http://pikek.com/>

psychyo - January 22, 2016, 2:27 pm

I got the right version from a friend, and i added the fake camera, its working 100% .. thank you guys
