How to earn money in REALLIFE, NO INTERNET!

Whether you're useless in everything or not, this method works 100% for everyone. If you're above the age 16 it's gonna be easy as fuck! Yes, it does require some work, but work pays off. 100% guaranteed, I was about to sell this e-book but I won't cuz I'd like everyone to earn some bucks eh. Don't worry about blackhat or illegal stuff, it's all legal (unless you got copz after ya!).

PM me and I'll get the wonderful e-book to you.
