Thread: [Where to find wealthy customers?](#)

GreenSoap - January 21, 2016, 11:57 pm

Hello HackForums, as the title says where would I find wealthy customers? ie people who would throw \$1000+ at me.

Your school LOL

try that

#Merky - January 22, 2016, 1:21 am

Why would people give out this kind of info to you?

If you want rich customers, you don't let them come to you. You have to target them yourself.
