So far I've made \$700 from my journey of ewhoring, I'm quitting for good since I don't have time for this, I'll be back in a few months though with brand new tactics ? until then I wish you all luck!

Well the 700\$ is nice if you'd ask me. How long did it take you to get this amount.

Goodluck!

Hey, I don't have time to eWhore. It's a hassle & takes a lot of time. I'm focusing a lot on school. Every year, every summer, I go all out and make around \$5,000-10,000 dollars because there's nothing else to do but sit on your computer & play video games right? Right. Try it out and good luck! <3
