think this would work in sweden aswell? ;p if so, I will happily take a vouch copy :)

minimalist - January 22, 2016, 8:06 pm

If you can give me a vouch copy, I'll go out tomorrow to Subway and try out the method.

I received a vouch copy of this ebook.

To start, this method is not something that I have heard of before. I'd say that it involves something that was in front of most people for the longest time, but they didn't see it. The ebook is short and to the point, with no mistakes made in most of the OP's writing.

I can guarantee that it will work, 100%, and I'll be using it to get myself a free 6 inch sandwich tomorrow afternoon.

I could enjoy myself a yummy sub - Can i grab a vouch copy? - Ill go out and grab myself a sub tomorrow bro

CreativeMinds - January 23, 2016, 6:31 am

Does this work in the UK?

Hewlett Packard - January 23, 2016, 7:29 am

It works everywhere as its from subway. Its not a method to get a free 6 inch everytime. You wont get a coupon every week for a free 6 inch. Sometimes, there would be offers 3\$ sub or free drink.

OP Shouldn't sell this method. To signup, visit <http://www.subway.com/sms/default.aspx>

I know all this as I'm a supervisor in three of the Subway Franchise.
