Can I give this kind of reputation to someone?

"Do not deal with this user" or "Deal with extreme caution"

It clearly doesn't call the user a scammer. So is this type of rep allowed?

**Scymo** - January 23, 2016, 10:16 am

yes, i see people saying these reps all the time.

**Varane** - January 23, 2016, 10:16 am

Yea, you are basically warning users to be cautious when dealing with someone. You aren't actually calling them a scammer.
