Thread: [\[PREMIUM\] Starks Voice Services \[Promos, Scripts +\]](#)

Do you need a professional voice for an ASSIGNMENT, Video PROMO, Youtube video, Prank, Voicemail or anything else!

I am your guy for all of the above, I also come with some handy production skills.

Whatever the job is, just hit me up and I will discuss with you a price suited for your job. Costs will be reasonably low for the quality of work you will be receiving.

Some of my work;
