Thread: [Assassination Classroom Soundtrack?](#)

**Devixx** - January 24, 2016, 8:58 pm

Does anyone know where I can find the entire Soundtrack to Assassination Classroom? I've been looking everywhere for it and I can't seem to find it anywhere. I've found some songs on soundcloud and youtube but they don't have all of them only a few.

I'm looking for this one song in particular but no one seems to have it on any website that I check for it on. ?

Does anyone have any clue where I may be able to find this at?

Looking for the song that plays from 9:28 - about 10:06 on episode 3.

I'll be the most happy person if you could find me the one that plays in episode 5 16:00. It was so epic when Bitch-sensei got in xD

I don't know if it's on here, but I found this pastebin with the soundtrack on it: <http://pastebin.com/uyr5mn76> although; it doesn't have what I was looking for. It must be an unreleased track.

Does anyone know if it's been released yet?

It was actually quite a simple find. Not sure if that is everything though.

Went to episode 3 and had to see what song you meant. Honestly it might not even be part of the OST though since it was more of just an ambient sound playing during that scene.
