I really and in all honesty don't understand this woman's behavior. It's just a stock photo. But I love how you handled it in the email. You were very adult about it and I couldn't think of a better response.

ElasticWeed - January 25, 2016, 7:21 am

I see 4 women in that picture...

And yes, determining the gender of people by looking at their hands is ridiculous.

She needs to learn to deal with the real world.
