Thread: [\[BUYING\] High Tier CS:GO Knife\(s\) \[BTC\]](#)

**D????????????????ark** - January 26, 2016, 7:02 pm

Title says it all really, I want to keep this short and simple.

I have ran into a nice amount of BTC lately, and I thought I might treat myself to a knife.

Will go first to highly trusted members of course, and to others, we can discuss.

Looking for high tier knives, not Gut Knife Safari's lmao.

Hit me up via PM or just post below, let me know what you got and the price you were thinking.

Thanks ?
