Free Twitch.tv Live Viewers / Followers / Chat Bot

This program has been public for a while now thought that I should release it to the fellow HF Members. PM or [MagicFlakes](#) to get this program! This twitch bot is better than any of the current bots on the market now. We have provided some free SOCKS5 Proxies to go with this program. I suggest buying your own Private Proxies to see the real strength of this program!

To Receive This Program Either PM Me

Note, PM Us! We will not be PMing you. Just to save time.

This Program has been public for a while now! Use at your own risk.
I take 0 Credit for this Program!

(Jan 28, 2016 05:39 PM)Knowledgeable Wrote: [\[CITE\]](#) Can you possibly inform me on how to get proxies i could use for this?

The search function to this forum is very helpful. Look for private SOCKS 5 proxies.

Napaulm - January 28, 2016, 10:59 pm

The bot is legit. Not sure about the results though, will have to test that later today.

DuguWudi - January 28, 2016, 11:42 pm

Just pm OP about it. Thanks.

Ik there's a proxies section but there are different ones.

So SOCKS 5, does it matter the format they're in?

Why am I asking, because I've seen stuff on the forum about GHP ddos attacks needing to be in a specific format so I figured I'd ask.

thanks for replying
