Thread: [10 day break](#)

Green Goblin - January 27, 2016, 12:46 pm

As I write this, I am going into my evaluation for a mental hospital, for my substance abuse and depression, blah blah I'll most likely be gone for 7-10 days, I'm going to have my girlfriend announce the winners of the contest, and it may be delayed a little but yeah, wish me luck!?

Sorry to hear you are leaving. Best of luck in all your future endeavours!

I used to do yoga a lot and developed lower back issues, more of a workout for me than a meditation kinda thing

It's for myself, without this I won't be able to run my company.

Stay safe, never been to one... Read a book and have fun, if you can. :)
