No risk for a console ban. You will get a ban if you have 14+ accounts activated on you console without deactivate others. I have some gams for almost a year and a half on my PS4 and all is working perfect.

The list of games will be updated every day

Louisveret - January 29, 2016, 6:45 am

Huge vouch! Greatest accounts , from a great guy.

Don't hesitate dealing with OP.
