Thread: [CHEAP Full Access Steam Accounts \(10+ years old\) \(email included\)](#)

Ballistics - January 27, 2016, 11:41 pm

Hey guys, I have some steam accounts that I am looking to sell for some BTC for some very cheap prices (up to 80% off the game price in some cases). These accounts are full access meaning you get the email account as well so you can make the account yours. The list of accounts and the games they have on them is below. These prices are much cheaper than what you would pay for these games on G2A and you can add the games to your main steam account via family sharing so you don't even need to mind about signing in and out of accounts.

ACCOUNT 1: CS:S, Day of Defeat: Source, Half Life 2: Deathmatch, Half Life 2: Lost Coast BIN: \$15 BTC CO:

ACCOUNT 2: CS:S, Half Life 2, Half Life 2: Deathmatch, Half Life 2: Lost Coast BIN: \$12 BTC CO:

I HAVE MANY ACCOUNTS WITH CS 1.6 AND CS CONDITION ZERO THAT I WILL BE SELLING FOR \$5 BTC EACH!

PM me with offers or post here on the thread!
