Thread: [Kill Joy's Monthly Giveaways & Upgrades - 2/12](#)

Kill Joy - January 28, 2016, 7:16 pm

Over past two years on HF I challenged myself to learn things I didn't even know we're possible both online and in the real world. I set goals, strived to get there, and now I've succeeded and reaped from my success. It's time to give back to a community I've gained much from.

What am I doing?

Every single month this year I will be upgrading three members. One member will be upgraded to 3p1c, another to l33t, and the other to Ub3r. Last month's giveaway can be found [here](#).

How can you win?

I will pick a random number from one through 25 for each upgrade. Just pick a number that isn't already taken and you will be added to the list.

Additional Information & Rules

*This contest will end at 12:00AM Central Time (-6:00) on February 15, 2016.

*One entry per person.

*Do not PM me begging to be chosen. You will automatically be disqualified.

*Winners will be chosen the day after the contest ends.

*No, I don't have friends so I won't be picking favorites.

*You must already be approved for Ub3r.
