"No senpai. This is our fight!"

It still lingers in the back of my mind.

I'd been wanting more StB for ages, but the OVA was a bit of a letdown compared to the main series. I'd just like an actual sequel :(

Fuck, you have no idea how hyped I was when I saw this. Thought it was a 2nd season.

GG

GG

As everyday pass without the announcement of a second season, I die a little bit more inside.
