Thread: [Triangle Anime Wallpapers \[daily updates\]](#)

Intern - January 31, 2016, 10:36 pm

I was bored tonight and I started experimenting and I saw some inspiration so I thought I'd do it with anime.

At first I was going to put it in the rate my gfx section but I didn't see the point considering this is pretty much a 5-10 step process. Also I'll be updating this as I go if you guys enjoy this ; around 9 pics.

I hope that you guys like this as well (¯?¯?)b

(not to sure if it's against the rules to post wallpaper dumps but I made it (the triangles that is))
