TheVBScripter - February 2, 2016, 7:21 am

Hey you all!

I was just searching for new sites and I found a few that were useful to me so far (\$65 TODAY):

[Proof of earnings \(even trippled dipped without scamming!\)](#)

[Proof of Traffic](#)

Website's I signed up for: [Smext](#)

[sexting-forum](#)

[sextingforum](#)

[addmekik](#)

[kikusernamescodes](#)

Don't respond with comments like, I already knew this site or such, I just created this thread for starting E-Whore members or members who where just stuck at getting traffic!

All I ask in return: Leave a comment below please ??

nice username if you're Dutch (worst = sausage) ? Yes I recognize a decrease in traffic for the last few weeks, but I can't complain since there are many methods/website's to increase your traffic ?

Still working!

Why RIP? Even if you would ONLY use saturated sites like Kiksexting, Kikhorny and such, you could still make a fair amount each day.

I see it as 90% E-Whore skills and 10% lucky ?
